The Half Eagle arrived but it Cost more than I expected it would. I did not want it to cost over 15.00 net. However I will keep it. Enclose find N.Y. draft for amt $17.15

I have an 1799 Eagle with a small dent in it I want a finer one and what will it cost by so doing. Shall I send it on to you so that you may see it. I think you would Catalogue it very fine. My wish is to get a better one in the place of it by paying a little difference.

Will you please do me the kindness to get what I want. you will greatly oblige me by attending to this as soon as you can.

Sincerely yours

J. W. Leonard

As I understand it Eagles were Coined from 1795 to 1804 and then none were Coined till 1838 please inform me if this is Correct. Have you any in stock 1801 to 1838 and what are your lowest cash prices I want if any at all very fine ones. It will all depend on your prices. Do not send any on approval unless ordered
